

Greeting from the School Nutrition Foundation,

The School Nutrition Foundation offers scholarships for National Conferences such as SNIC, LAC and ANC and the First Timers Scholarships. They sponsor the School Nutrition Heroes Award in conjunction with LAC.

As your State Ambassador I'm requesting that you all consider donating \$10.00 or more to the Foundation before the end of 2018. Since we are not having a conference in the fall we need to do a mail in drive. Remember that if we have at least 5% of our membership donate \$10 or more per person we will receive 25% of all donations back to use for scholarships in Kansas.

We will be using what we earned in 2017 and combining with the 2018 donations to offer scholarships to our State Conference in March 2019. Currently we have had 10 people donate for a total of \$378. We need 17 more people to donate to reach the %5 in order to get anything back from the Foundation.

You can donate by check or credit card all you need to do is complete the form and mail to the address below.
